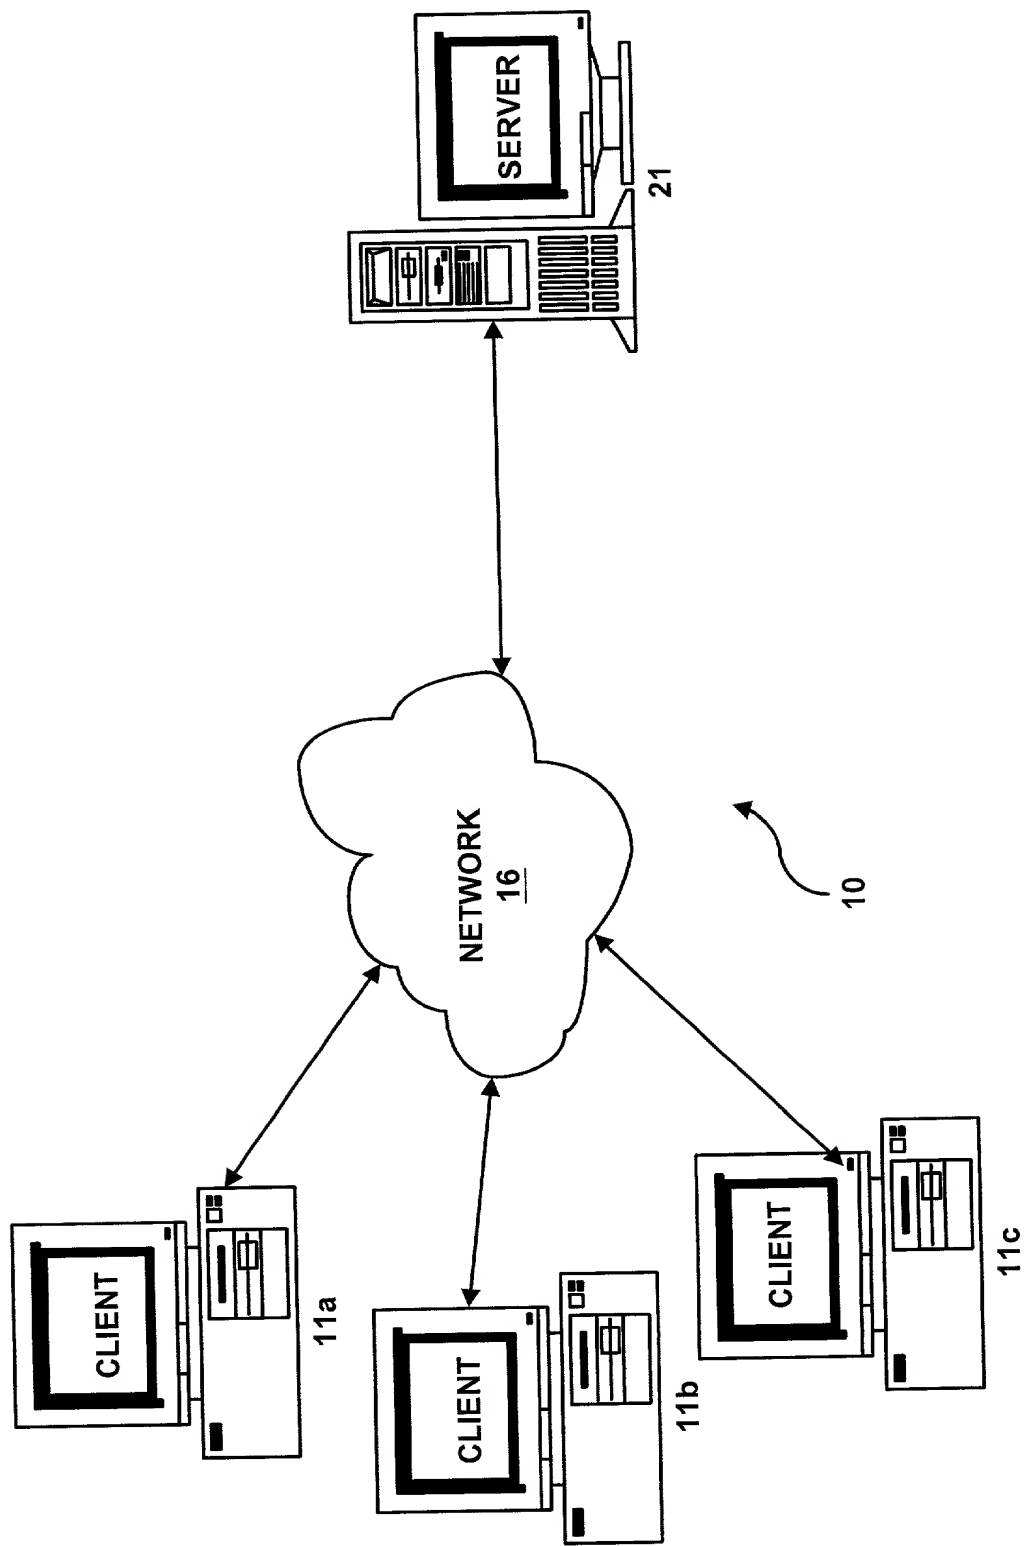

FIG. 2

11 OR 21

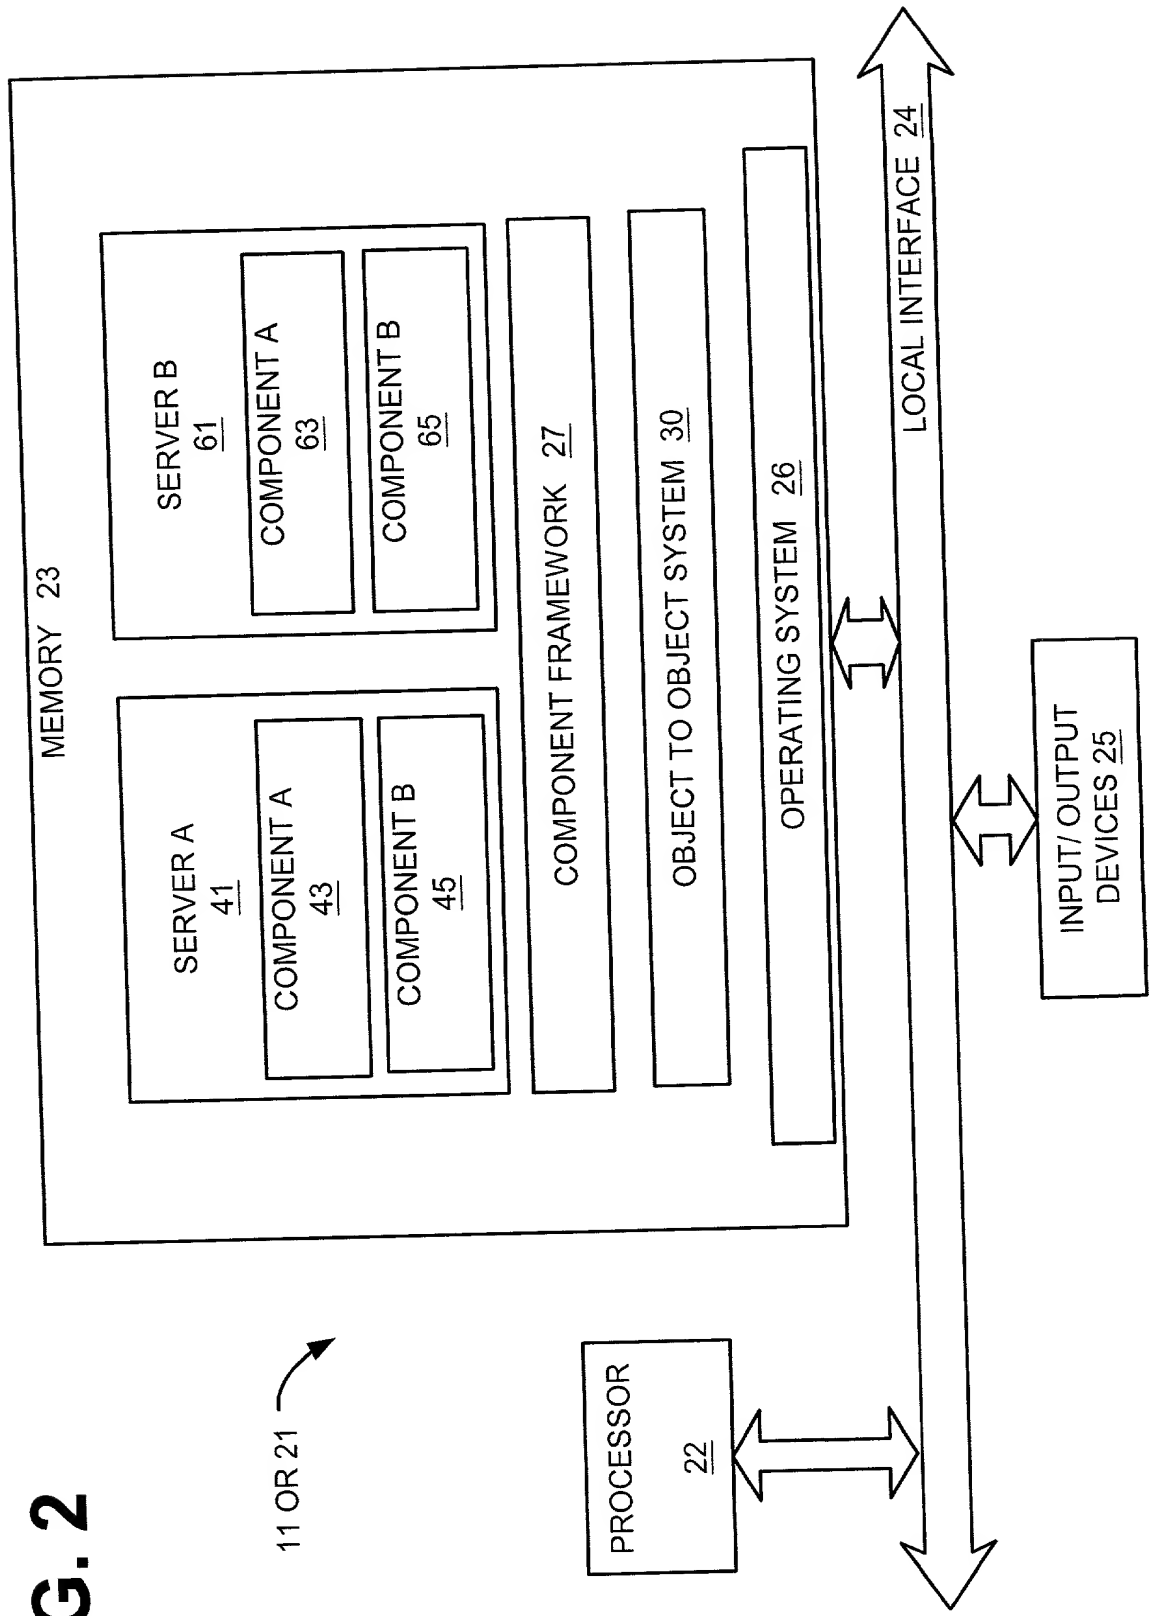

FIG. 3

30

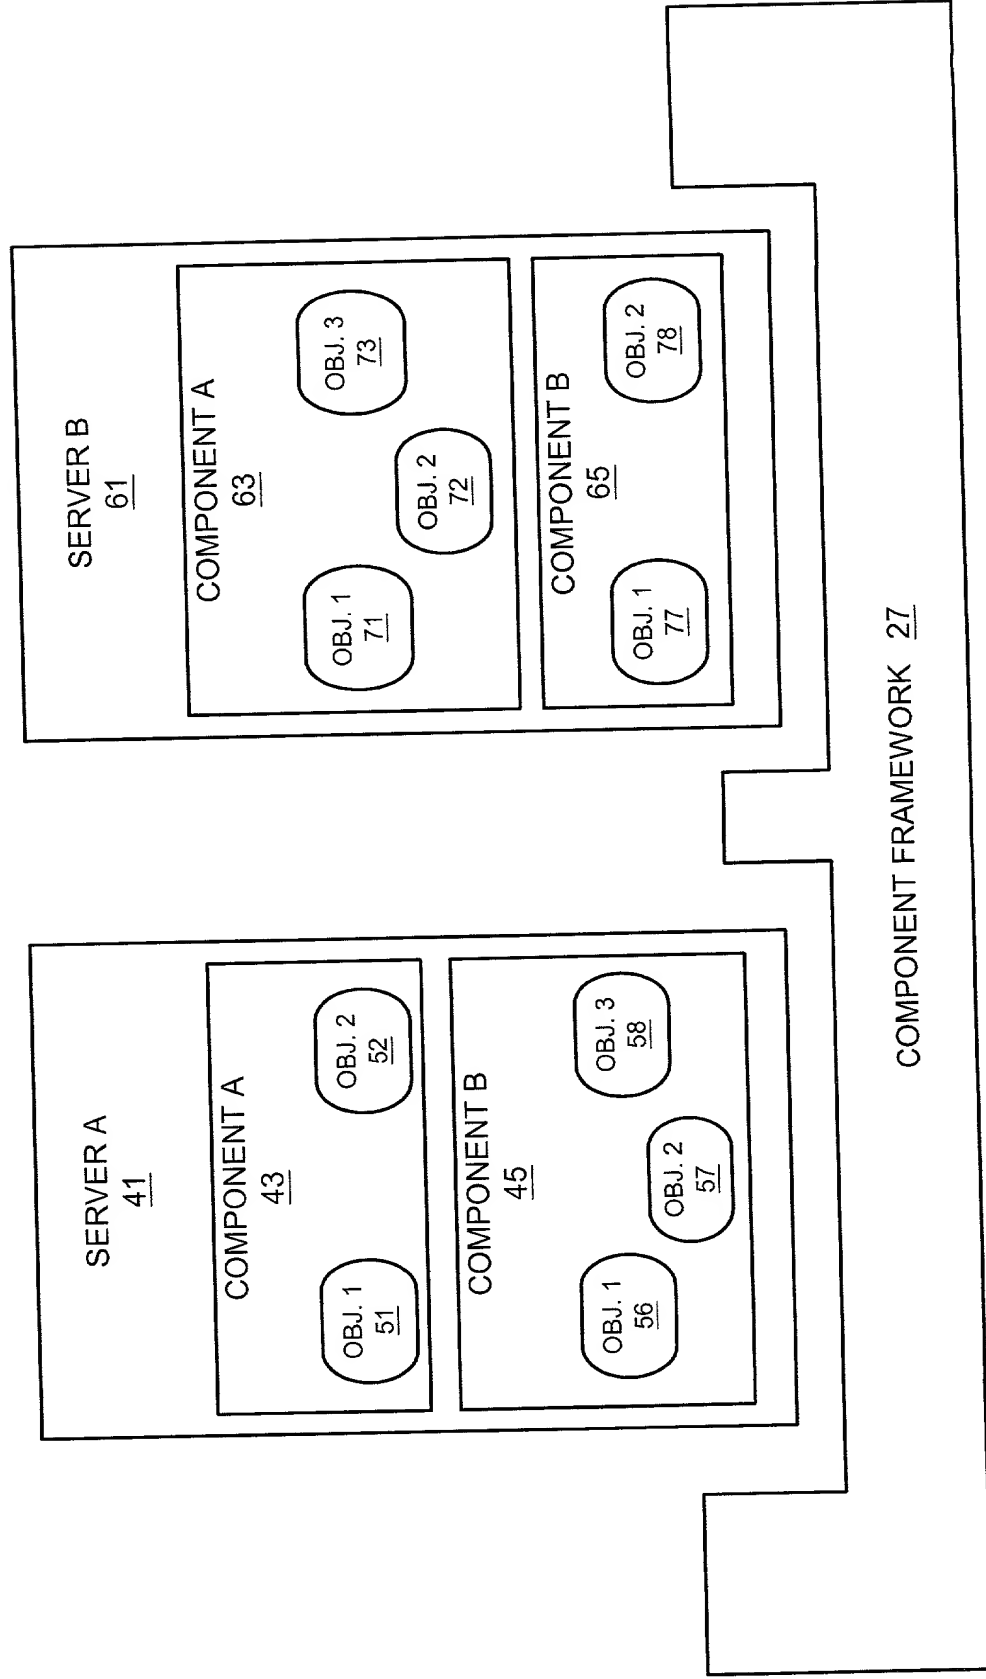

FIG. 4 is a block diagram of a component framework 27, which includes a component A 43 and a component A 63. The component A 43 includes objects OBJ. 1 51 and OBJ. 2 52. The component A 63 includes objects OBJ. 1 71, OBJ. 2 72, and OBJ. 3 73. The component A 43 is connected to the component A 63 via a connection 30. The connection 30 includes a first connection 81, a second connection 82, and a third connection 85. The first connection 81 is labeled DOSOMETHINGSNAZZY(ITEM), the second connection 82 is labeled DOSOMETHINGCOOL(), and the third connection 85 is labeled GETSOMETHINGNEEDED().
